片场，我作主 THE MASTER OF SET

当阳光一遍遍擦镜头的时候，我喜欢叫助手在摄影机旁边摆一把舒适的椅子，如鱼贯地坐下来，或躺，或仰，或靠某只手在膝盖上，随意找到一个惬意的姿势长长地舒出一口气，然后一边听工作人员的报告，一边仔细回味镜头的每一个细节，找到不够完美的地方，继续创造完美，这就是保持了三十年的习惯。我始终相信总有一天会得到回报。

After culling some important shots, I like asking my assistant to put a comfortable chair beside the camera, sitting down as if relieved of a heavy load, either reclining or relying, or leaning to the right or the left and relying on the armrest tightly and exhaling one breath with a cozy posture. Then, I can listen to the report of the staff and think of every detail of the shots and try to find the imperfect places, continuing the create perfection. This is a habit I have insisted on for several decades and I always believe I will get paid someday for my perseverance.
